NOTES:

If you wish to proceed, please ensure our part number above is indicated on your official order.
 The above prices includes this quarters Nickel Surcharge (NS) and Cobalt Surcharge (CS). This offer is made Subject to Contract.
 These items may require an export licence for re-export from your country.
 Cells and packs will be shipped with the default blue branding and AE logo, unless otherwise requested.

PRICE:

All prices are Net and exclusive of VAT.
 Where special testing is required to release the product, additional charges may apply.

Surcharges:

* The Nickel cell base prices are calculated on a Nickel value at your agreed threshold per Metric Tonne, in the case Nickel exceeds this threshold per MT (average value of Nickel cash at LME over the last 3 months), ARTS Energy will add to the base price, a Nickel Surcharge at the time of delivery. If Nickel is below your agreed threshold then no surcharge is applied.

* The Nickel cell base prices are calculated on a Cobalt value of \$29,485.00 per Metric Tonne, in the case Cobalt exceeds this threshold per MT (average value of Cobalt cash at LME over the last 3 months), ARTS Energy will add to the base price, a Cobalt Surcharge at the time of delivery. If Cobalt is below \$29,485.00 per Metric Tonne, then no surcharge is applied.

* The lithium cell base prices are calculated based on a calculation from the purchase price from our supplier, in the case that our supplier adds a lithium metals surcharge, ARTS Energy will add it to the base price, this surcharge in full at the time of delivery.

Minimum Order Value:

Our terms and conditions with regard to our MOV are per line item and not total order value, set at 500 €
 If an order is placed at a value below this level an administrative fee, per line item, will be applied to the value of 100.00€

VALIDITY:

This quotation is valid for 30 days only, should market conditions such as cells, components or raw material change during this period, we reserve the right to revise the price given and re-issue the quotation.

Order Placement:

An order resulting from this quotation should be placed directly on our manufacturing plant at the address shown, marked for the attention of Marie Francoise Brunerie
 When placing your order please ensure our part number and quote reference are included.

Warranty:

The products listed in this price list, have a 1 year commercial warranty (as per our General Terms & Conditions of Sale) or agreed written arrangement, product used outside of its specifications will be void of warranty.
